# WHAT WE STAND FOR

LOCALHOOPS strives to teach life lessons through the game of basketball. Youth sports has a way of shaping our youths lives and teaches key principles like no other classroom or environment can. Athletes are challenged to learn discipline, teamwork, sacrifice, communication and many other key life skills at an early age. A few may make it pro, but more importantly, what kind of adults will they turn out to be?

# WHO WE ARE

## WHAT WE DO

Our mission is to provide an environment that best serves where each athlete is on their basketball journey, and help guide them to where they want to go through hard work and dedication.

## WHAT WE OFFER

LOCALHOOPS offers a wide range of skill development programs such as skills training, team play, college recruiting trips, in-house development leagues, camps & clinics and much more.

LOCALHOOPS has developed an excellent network of college coaches to giving athletes opportunities to get their education paid for through basketball.

# STUDENT ATHLETES

## TEXAS TECH

Many of our athletes go on to play at the collegiate level. Some choose different paths. Our desire is for them all to have options when that time comes to choose what the next step in their journey will be.

## PRINCETON U

We provide our athletes with opportunities to play in front of dozens of college coaches each year from all over the country. Our college exposure trips & campus visits are one of a kind.

## WASHINGTON STATE

Education is the key to success. We feel every child should have access to these opportunities. Experiences like this can and will change lives forever.

# EQUAL OPPORTUNITY INITIATIVE

Covid-19 has hit us all in different ways, some harder than others. Now is the time for us to help where we can to ensure that all athletes going forward have access to enrichment programs. LOCALHOOPS is creating the "Equal Opportunity Initiative" to raise funds for athletes who wish to participate in LOCALHOOPS but simply are not financially capable. With your help we hope to be able to provide access to our program for all athletes, regardless of socio economic background.

# DONATE TODAY!

LOCALHOOPS Training Academy is a Federal 501c3 organization. All donations to our program help more children gain access to coaching & mentoring. We ask that you join our initiative today and help us give more children access to resources that can change their lives. The youth is our future and we must invest a better future for all! For more information about our program please visit our website at [www.localhoops.org](http://www.localhoops.org) and contact our CEO, Kelly Edwards.
